

“Standing In The Way”

Discussion/Study Material for the podcast from Sunday 10/19/2014

From Marianne Williamson's *The Law of Divine Compensation*, page 46-47:

“Let’s say your financial good was blocked by someone, or by forces outside your control. You were not necessarily the cause of what happened to you, but you are responsible for how you contextualize it. Yes, whatever happened, happened; but what happens now is up to you. You can respond from ego, ensuring pain; or you can respond from spirit, ensuring a miracle.”

“The level of woundedness is the level of illusion. By identifying with this level, we experience effects at this level. Something has the power to hurt us to the extent to which we believe in its power.”

Discussion/Study Questions:

1. Marianne Williamson says that anger, un-forgiveness, guilt, shame and prejudice all block love—block our ability to be divinely compensated. What can we do with these strong negative emotions and beliefs?
2. Have you been “wounded?” How can this be turned around?
3. How does forgiveness re-activate the Law of Divine Compensation?
