

“Fruits Of The Harvest”

Discussion/Study Material for the podcast from Sunday 10/11/2015

From John Randolph Price's *The Abundance Book*, (prosperity secrets) page 60 and 70:

“Keep your money circulating. If you hoard it for a rainy day, you may have to spend it on an ark.”

“Am I a joyful giver? Do I freely share my money on a regular basis, knowing that as I give, so shall I receive, pressed down and running over?”

Discussion/Study Questions:

1. Why does hoarding defeat our intent of living an abundant life?
2. Why is giving joyfully more important than just giving? Do our emotions play a part in developing a consciousness of financial freedom?
3. How can we “give” when our resources are limited? How can giving help to expand our consciousness of wealth?
