

“Money Is(n’t) Everything”

Discussion/Study Material for the podcast from Sunday 10/02/2016

From Edwene Gaine’s Book *The Four Spiritual Laws of Prosperity*, page 25:

“Let me tell you something. God is not glorified by poverty. God is not glorified by illness. God is not glorified when you feel guilty or unworthy. God is not glorified when you run around playing the victim.

God is glorified when you stand up and acknowledge who you are and claim your birthright. And who are you? You are a divine being, a child of God the Most High, a person who deserves to have every good thing that life has to offer.”

Discussion/Study Questions:

1. How or why is God glorified by our having all that life has to offer?
2. As a so-called “child of God,” do you feel entitled to all that life has to offer? If not, how might you expand your ability to feel worthy of this?
3. Why is (or why isn’t) poverty a virtue?
