

“Daily Dose of Inspiration”

Discussion/Study material for the podcast from Sunday 10/01/2017

From May McCarthy’s book “The Path to Wealth,” page 15:

“If you were convinced that the all-knowing power of the universe were truly your partner and could guide you to receive anything that you wanted without limitation, would you agree to partner with it? To help convince you that the CSO (Chief Spiritual Officer) wants to partner with you for your benefit, it’s helpful to read stories about others using this power to achieve all that they want..”

Discussion/Study Questions:

1. Why are sources of inspiration and information helpful? Why are “testimonials” helpful?
2. Share some inspirational reading sources that have been important to you.
3. Briefly discuss the Science of Mind Magazine’s daily guides and how we might provide access to them in our circles to people who may not be current subscribers.
