

# “Thank You, God!”

Discussion/Study material for the podcast from Sunday 10/29/2017

From May McCarthy’s book “The Path to Wealth,” page 67:

“By this point, you’ll have had a chance to show action, faith and to take some of the steps toward your good... You may have already achieved the good that you want or experienced some successful progress. Now it’s time to celebrate!

Celebrating is not only fun, it also reinforces in your mind that the CSO (Chief Spiritual Officer) practice is something you want to continue. The more you celebrate, the more you will want to find reasons to celebrate.”

Discussion/Study Questions:

1. How do you celebrate your successes?
2. Why does sharing and celebrating “demonstrations” help increase your ability to receive more?
3. How can perfectionism get in the way of recognizing our success and hinder the process of realizing our dreams?
