

# “Guide To Prosperous Living”

Discussion/Study Material for the podcast from Sunday 10/07/2018

From Jim Rosemergy's Book *Even Mystics Have Bills To Pay*, pages 1-2:

“*Work hard and you'll get ahead.*’ Effort alone prospered many families, but not anymore.

“This is not the time to redouble our efforts and to do what we have always done a little better. The old methods will not work. We are being called to a new way of life.

“This is the discovery made by the mystics of the world. They found that the food which nourishes our souls will also provide for our bodies and other human needs. Earthly food only feeds the body, but the fruit of Spirit animates body and soul.”

Discussion/Study Questions:

1. Why do you think the old work ethic of “physical effort” is no longer enough to produce prosperity in most of our lives?
2. What are some examples of the “food which nourishes our souls?”
3. How can our connection to Spirit be a basis for prosperity?
